

# Term 4 in Room 7

Dear Parent/Guardian,

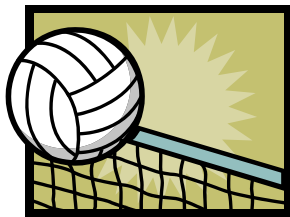

The children have made a great start to the summer term and are ready for a busy time ahead.

This term we will be undertaking a whole school topic and learning about the 2014 Glasgow Commonwealth Games. The children will be given lots of opportunities to participate in different sports and learn all about various events.

In Room 7 we will also be reading a whole class novel together and completing lots of interesting literacy work based on the story. It is going to be a very exciting and fun term ahead and I am really looking forward to seeing the children enjoying learning all about the Commonwealth Games.

## Physical Education

The children really enjoyed their swimming lessons last term. This term we will be participating in a few taster sessions of some different Commonwealth sports therefore the children may be asked to bring gym kits at different times. However our usual gym days are still a Wednesday for indoor and Thursday for outdoor.

## Reminders

- *Open Afternoon - Wednesday 7<sup>th</sup> May.*
- *Reports will be out later in the term.*
- *Sports day will be held this term.*

## Literacy

Our main literacy focus this term is our class novel "Diary of a Killer Cat". The children have already started reading this enjoyable novel. Your child may be asked to read a few pages at home sometimes however not every day/week. The children will be encouraged to read newspapers, magazines, their library books at home this term. Spelling and other literacy homework will remain the same and the children will receive this on a Monday as usual.

## Numeracy

We will mostly be working on fractions, time and money this term and any encouragement at home on these subjects will benefit the children's learning in class.

## Weekly Routines

Diaries should be checked during the week and signed on a Thursday night to be returned to school on a Friday. Target sheets will continue to be sent home and signed on a Friday, however if a sanction has been given they will be sent home that evening to be signed also.

Thank you for your continued support and encouragement in your child's learning.

Miss McMinn
